Current Job

Stagehand

UConn Jorgenson · Part-time

September 2025 – Present

Storrs, Connecticut, United States

My job includes loading in, setting up, operating and testing lighting, sound, video, props and other equipment according to each show's requirements. I also build sets, do maintenance tasks, assemble equipment and support structures, and break them down when shows are over.

Previous Job Experience

Sales Associate

World Market · Part-time

July 2023 – September 2025 · 2 yrs 2 mo

Manchester, Connecticut, United States

As a sales associate at World Market, I provided exceptional customer service, customer care, handling cashier duties, and ensured the store maintained high visual standards.

Highest Education

University of Connecticut

Bachelor's of Fine Arts

Major: Digital Media and Design (Concentration in Game Design)

Aug 2022 - June 2026

Storrs, CT
